With PeopleSoft Student Center

Overview

Students can self-enroll using the PeopleSoft Student Center, which provides online access to add, drop, and edit class enrollments.

This document explains how to use the swap tool to drop one class and replace it with (add) another using your Student Center.

Are You Prepared to Self-Enroll?

Students must complete the following steps before they can self-enroll:

1. Log in to your Student Center through the **my.pitt.edu** Web portal
2. View details about your enrollment appointment
3. Meet with your academic advisor

For details, refer to the help sheet: *Preparing for Self-Enrollment*, available in **My Pitt** (my.pitt.edu).

Access Your Student Center

Log in to **My Pitt** with your University Computing Account username and password. Next, click the **Student Center** pass-through link to your right. Next, click **Self Service** and then click **Student Center**. Your Student Center information will be displayed.

The screenshot displays the 'Pitt's Student Center' interface. On the left, there are two main sections: 'Academics' and 'Finances'. The 'Academics' section includes a search bar, a 'SEARCH FOR CLASSES' button, and a list of links: 'Search', 'Enroll' (circled in red), 'My Academics', and 'Mid-Term Grades'. Below these is a dropdown menu with 'other academic...' and a double arrow icon. The 'Finances' section includes 'My Account' and 'Financial Aid' with links 'Account Inquiry' and 'View Financial Aid'. Below is a dropdown menu with 'other financial...' and a double arrow icon. In the center, there are two informational messages: 'You are not enrolled in classes.' and 'You have no outstanding charges at this time.' On the right, there are three sections: 'Holds' with a 'No Holds.' message (circled in red), 'To Do List' with 'Final High School Transcript' and a 'details' link, and 'Enrollment Dates' with an 'Enrollment Appointment' message (circled in red) stating: 'You may begin enrolling for the Fall Term 2010-2011 Academic Term session on March 31, 2010 4:15PM.'

Swap a Class

Once you have enrolled in a class, you will need to use the following steps to swap another class for it.
