Creating a StudentNet Bookmark on the my.pitt.edu Site

It’s quick and easy to create a bookmark for the Katz StudentNet on your my.pitt.edu home page. Here’s how:

1. Direct your web browser to http://my.pitt.edu. Log in to the site
2. Look in the upper right corner of the page for the box marked My Bookmarks
3. Click on the button to edit your bookmarks
4. A new window will open. Under Add a Bookmark, add the following information:
   
   ![My Bookmarks](image)
   
   Name: StudentNet
   URL: http://net.katz.pitt.edu/studentnet
   Add

5. Click the Add button
6. Click Done

You will now have a bookmark to StudentNet on your my.pitt.edu page. Clicking the link will open StudentNet in a new window.
