

## 2015-2016 Student Executive Board Members

**Julia Fadul (*SEB President – Class of 2016*)** is a dual degree MBA/MS Civil Engineering with a focus on Finance and Sustainability. She earned her undergraduate degree in Civil Engineering from the Universidade Catolica do Salvador (Brazil). Prior to coming to Katz she worked with construction management in various infrastructure projects throughout the Brazil. Analytical, pragmatic, and resilient she intends to leverage her civil engineering experience, language skills, and joint master degree to pursue opportunities in project lead management roles in the civil engineering industry

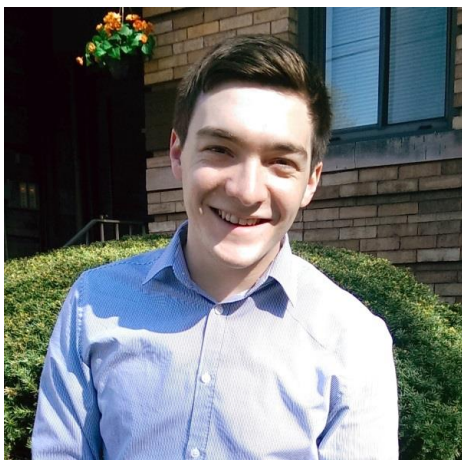

**Mark Sander (*SEB General Affairs – Class of 2016*)** is currently serving as a Major in the Medical Service Corps of the US Army with specialization in healthcare logistics and administration, Mark was selected from his peers to complete an MBA with focus in supply chain management. He concentrates his academic focus in Operations, crossing several functional areas from supply chain, project management, and organizational leadership. Prior to attending Katz, Mark served as the CEO of the medical logistics company supporting all NATO forces in Afghanistan. He was also previously responsible for Army medical logistics contingency plans for the Pacific theater and was selected to train internationally with UN Forces scheduled to support operations in Africa. Mark completed his undergraduate degree at Penn State University before joining the US Army, and now serves at Katz as a General Affairs member of the Student Executive Board and VP of the Operations Club.

**Lisa Wong (*SEB General Affairs – Class of 2016*)** is concentrating in Finance. She earned her bachelor degree from the Air Force Academy and commissioned as an Air Force Acquisition Officer. Prior to Katz, she was a project manager on the Small Diameter Bomb Increment II Program before getting selected for the Air Force Academy's Faculty Pipeline Program. As a result, she is pursuing her MBA before returning to teach in the Air Force Academy's Department of Management.

**Max D. Gutierrez (*SEB General Affairs – Class of 2016*)** is concentrating in Marketing and Finance. He earned a Bachelor of Arts degree from the University of Arkansas where he majored in English Literature with a minor in Medieval and Renaissance Studies. Prior to Katz, Max worked as a secondary marketing analyst at a mortgage bank. As a problem solver, he analyzed loan closing variances and initiated a project to mitigate future variances. Most recently, Max refocused the Transmission & Substations Key Performance Indicator program at PPL Electric Utilities.

**Corbin Powlus** (*SEB General Affairs – Class of 2017*) is a first-year MBA student concentrating in MIS and Marketing. Prior to Katz, Corbin worked as a business analyst for PNC Bank, supporting their Online Banking and Corporate Banking applications. Currently, Corbin serves as a Research Assistant, working on a study involving in-store shopping behavior. He graduated from Pitt in 2013 with a bachelor's degree in Information Science.

**Kyle Watson** (*SEB General Affairs – Class of 2017*) is a licensed Merchant Marine Officer with eight years' experience upon the inland and offshore waters of North America. He has been a captain aboard passenger transportation vessels and a mate aboard tugboats engaged in escort, salvage, and rescue towing. Kyle has lead teams and solved problems in dynamic, stressful, and dangerous situations. As a first-year MBA student at Katz concentrating in Finance and Strategy, Kyle seeks to gain business acumen to pair with his leadership experience and transition into a career in general management.

**Brad Leeman (*SEB General Affairs – Class of 2017*)** started his professional career as a high school teacher. Brad's seven years as a teacher have helped him develop his presentation, organization, and assessment skills to help others develop and improve their performance. Now Brad is looking to utilize his leadership and communication skills, his Katz MBA, as well as his background as an educator to begin his career as a leader in the human resources field.
