To be considered for an internship position, you must apply between January 1 and January 18, 2013. Internships begin in May or June 2013 and last approximately 12 weeks. Eligible candidates should be pursuing a master of business administration (or other graduate business-related degree), scheduled to graduate between August 2013 and June 2014, and have at least four years of previous full-time work experience. Top candidates will be invited to Seattle for an on-site hiring event to learn more about the multiple opportunities available.

The Boeing Company invites you to engage in and contribute to our exciting projects as we continue to expand our product line and develop new technologies to meet our customers' needs. The MBA Intern Program is designed to challenge students with high-level work projects, as well as to provide development and social activities throughout the summer.

Summer MBA internships are available in the following disciplines: Finance, Procurement Financial Analysis, Contracts, Sales, Project Management, Marketing, Supplier Management, Business Operations, and International Strategy. These internship opportunities are located within Washington State at major facilities in Seattle, Everett, Tukwila, and Renton.

If you are interested and would like to learn more, please join one of the virtual information sessions below. Call in to our teleconference and log in to the WebEx meeting for the full presentation.
